

**UNITED STATES DISTRICT COURT  
FOR THE  
WESTERN DISTRICT OF OKLAHOMA**

**\*\*\*\*\* WEAPONS POSSESSION WARNING \*\*\*\*\***

**United States Code, Title 18, Section 922(g) provides that it is unlawful for any person:**

Who has been convicted in any court of a crime punishable by imprisonment for a term exceeding one year...

to possess a firearm or ammunition. The term "firearm" is statutorily defined to include any weapon, including a starter gun which will, or is designed to, or may be converted to, expel a projectile by the action of explosion; the frame or receiver of any such weapon; any firearm muffler or silencer; or any destructive device. Violation of this provision is punishable by not more than ten years imprisonment and/or fine of up to \$250,000.00. In addition, possession of a firearm is a violation of probation, supervised release and parole pursuant to 18 U.S.C. § 3563(b)(8), 3583(d), and U.S. Parole Commission Rules § 2.204. Revocation of probation and supervised release is mandatory for possession of a firearm.

Prohibition of possession of a firearm or other destructive devices is not limited to the period of time you are under supervision, but is for a **lifetime**, unless you receive approval from the proper authorities. After you have been discharged from supervision, you may apply to the Bureau of Alcohol, Tobacco and Firearms, United States Treasury Department, for relief from this prohibition or seek a full Presidential pardon through the Pardon Attorney, United States Department of Justice.

Check if applicable:

\_\_\_\_\_ If you have been convicted of a misdemeanor offense and the Court has imposed a condition prohibiting possession of a firearm or other destructive devices during your term of supervision, possession of such would be in violation of your supervision conditions.

\_\_\_\_\_ The Omnibus Consolidated Appropriations Act of 1997 makes it unlawful for any person convicted of a **misdemeanor crime of domestic violence** to ship, transport, possess, or receive firearms or ammunition.
